

STS-110 PRE-LAUNCH PAD DEBRIS INSPECTION REPORT
KSC Debris Team
7 April 2002

The pre-launch inspection of the MLP-3, Pad B FSS and RSS was re-performed on 7 April 2002 from 1600 to 1730 hrs EDT.

No facility items were documented in Appendix K of S0007VL4. The MLP, FSS, and RSS appeared in excellent condition. Minor clean-up items were in-work.

No vehicle items were noted.
